

ADDITIONAL LODGING OPTIONS AT GATHERING OAKS

Our goal is to allow our retreats and reunions to grow and flourish, so we are now offering three new houses as an optional addition to our Main Property Package. The Upscale Tiny House is located in a wooded area near the Tiny House Village and sleeps up to four extra guests. Two darling farmhouses sit together on two acres, conveniently located just across highway 6 from Gathering Oaks and sleep up to fourteen more guests. These additional houses can be added to our Main Package for a discount at the time of your booking or rented individually up to six months out, as availability allows. All three houses will allow you sleep a total of seventy guests when added to the Main Property!
